

Pray with COMPASS™

For Support

- For others to come along side and advocate for us in their church, workplace, and community.
- For additional workers in the Compass Community with the skills, relationships, and resources to accomplish our mission.
- For the Lord to provide ministry funding through the generosity of our donors, and also increase the donors who give monthly to help us plan.

For Compass Resources

- For additional ministry collaboration opportunities to enable our resources to be widely distributed.
- For paths and opportunities to partner and bring biblical financial literacy to the materially poor.
- For completion of materials to reach all ages from five years old and up.

For Leadership

- For our 11 Global Leaders to have provision, wisdom, and grace to shepherd Compass in each region of the world.
- For the Lord to raise up new leaders in each country.
- For wisdom in applying resources, both human and technological, to accelerate multiplication.
